

Sailing Around The Flat Top Islands

40 years ago a group of like-minded Gabriolans got together for a fun outing of sailing around the Flat Top Islands then gathering after for some food and libations afterward.

Out of this was born the Silva Bay Yacht Club!

SBYC would like to recreate this event in celebration of the club's 40th anniversary!

If you're not taking part in the "around the Flat Tops" event you can still join the group at the pub after the sail.
